

# SITE EMERGENCY INSTRUCTIONS

In the case of an emergency requiring evacuation of the worksite, being either a fire, earthquake, serious accident, bomb threat, structural collapse, tsunami, explosion, aviation accident, hazardous spill or practice evacuation - the following warning will sound: **THREE LONG BLASTS ON A HORN – REPEATED TWICE**

## Location of Fire Extinguishers

An extinguisher is located in site offices

## Location of First Aid Kits

First aid kits are located in site offices

## Designated Assembly Areas

Waiteika Road Quarry, Opunake - front of smoko room, Waiteika Road entrance

Whenuku Road, Hawera – top of hill at entrance

Nukumaruru Station Road, Maxwell – main entrance gate

## FIRE

- If you discover a fire **raise** the alarm
- Ensure the fire service is notified. **Dial 111**
- Clearly state the nature of the emergency and the location
  - *South Taranaki Quarry - Corner of Waiteika and Eltham Road, **Opunake***
  - *South Taranaki Quarry - 278 Whenuku Road, **Hawera** (gate directly off the end of the road)*
  - *South Taranaki Quarry – Nukumaruru Station Road, **Maxwell***
- If possible extinguish the fire but **only** if you can do so safely

## ACCIDENT / INJURY

- Administer first aid or provide assistance
- Seek medical attention as soon as possible if necessary
- In the event of a serious accident or injury ensure the ambulance service is notified. **Dial 111**
- Clearly state the nature of the emergency and the location
  - *South Taranaki Quarry - Corner of Waiteika and Eltham Road, **Opunake***
  - *South Taranaki Quarry - 278 Whenuku Road, **Hawera** (gate directly off the end of the road)*
  - *South Taranaki Quarry – Nukumaruru Station Road, **Maxwell***
- Do not move any unconscious/seriously injured people unless they are in immediate danger of further injury

## QUARRY OPERATIONS

### TRUCK DRIVERS HAZARD AWARENESS – DO'S AND DON'T'S

- **DO** give way to all quarry machinery
- **DO** ask where to go for loading

## TRUCK DRIVER SAFETY INDUCTION FORM

Company name: \_\_\_\_\_

I understand the information given to me (on the reverse) regarding the hazards I might be exposed to. The accident and emergency procedures are as follows:

### SUMMARY OF THE BASIC SAFETY RULES

- All accidents and near misses must be reported to the Site Manager
- Protective safety equipment appropriate to the environment must be worn at all times
- Enter and exit Whenuku Road via Ketemarae Road
- Do not exceed 50km per hour along Whenuku Road
- Slow to a maximum of 30km per hour for pedestrians, cyclists and children along Whenuku Road
- Do not use engine brakes; in, out, or along Whenuku Road
- All light vehicles give way to heavy vehicles
- No unauthorised visitors
- Drivers are to ensure load security and complete a final check
- Upon arrival wait in a safe open area for an operator to come to you
- Be aware of all high faces, open ponds, moving machinery and loose stockpiles
- Do not approach machinery until an operator has indicated to do so
- Know the location of our nearest fire extinguisher
- No alcohol or drugs allowed
- Be aware of evacuations and emergency procedures in our workplace
- **If unsure – ASK!**

*By signing this form, you acknowledge that you accept and understand the safety conditions as outlined in the above document.*
